

An Afternoon Of Drummer Led Jazz Fusion

Sunday August 28th, 4pm

Wally Schnalle's Idiot Fish

Wally Schnalle's latest musical vehicle, "IDIOT FISH", combines a myriad of influences from his love of jazz and fusion to trends and sounds that emanate from the electronic dance music world. Genres like Jungle, Glitch, Dub-Step and IDM all have a hand in influencing his newest compositions that fuel this new ensemble. Wally's usual acoustic drum set is augmented by a host of electronic devices that allow him to embellish his usual percussive voice with electronic elements.

"Schnalle is a serious force on drums. He plays with terrific energy and the kind of controlled abandon needed to propel his hard-driving compositions."
